

# The Future of the European Electronic Industries

## 2009 - 2014

### Production, Market and Issues

## The whole electronics industry covered in a single survey!

- **M**arket and **P**roduction forecasts from 2009 to 2014
- **D**etailed analysis of 50 equipment categories covering all application markets:
  - Telecommunication
  - Data processing
  - Aerospace, defense & security
  - Industrial & medical
  - Automotive
  - Audio & video

An open report showing detailed data tables and lists, likely representing the 50 equipment categories mentioned in the text.

# CONTENTS

## 1 EXECUTIVE SUMMARY: EUROPEAN POSITION AND OUTLOOK

## 2 ELECTRONICS INDUSTRY TRENDS IN 2010

- 2.1 CRISIS AND RECOVERY PROFILE
- 2.2 STRUCTURE AND DYNAMICS OF THE SUPPLY CHAIN
- 2.3 PLAYERS STRATEGIES AND BUSINESS MODELS, THE IMPACT OF DIGITAL CONVERGENCE
- 2.4 SOCIETAL MARKET OPPORTUNITIES

## 3 FORECASTS AND DETAILED ANALYSIS PER APPLICATION SECTOR

### 3.1 TELECOMMUNICATIONS

- 3.1.1 Mobile handsets (including smartphones)
- 3.1.2 Telecommunication infrastructures (carrier and enterprise/private network equipment)

### 3.2 DATA PROCESSING

- 3.2.1 PCs including desktops, laptops, netbooks and digital tablets
- 3.2.2 PCs peripherals, office equipment and smart cards
- 3.2.3 Mainframes, mid-range computing and dedicated terminals

### 3.3 AEROSPACE, DEFENSE AND SECURITY ELECTRONICS

- 3.3.1 Aeronautics & Space
- 3.3.2 Defense
- 3.3.3 Security

### 3.4 INDUSTRIAL AND MEDICAL ELECTRONICS

- 3.4.1 Railway equipment
- 3.4.2 Marine and off-road equipment
- 3.4.3 Power electronics (including power supplies and conversion, solar panels and electronic lighting)
- 3.4.4 Automation equipment
- 3.4.5 Medical devices
- 3.4.6 Instrumentation, measurement and test equipment

### 3.5 AUTOMOTIVE ELECTRONICS

- 3.5.1 Powertrain
- 3.5.2 Chassis
- 3.5.3 Safety, security and information equipment

### 3.6 AUDIO & VIDEO

- 3.6.1 TVs
- 3.6.2 Other Audio/Video devices (digital cameras and camcorders, DVDs, game consoles, Portable Media Players, Set Top Boxes)

### 3.7 HOME APPLIANCES

## 4 DEFINITIONS

### 4.1 SOURCES

### 4.2 PRODUCT CLASSIFICATION

### 4.3 EXCHANGE RATES

### 4.4 VALUES, MARKET AND PRODUCTION

### 4.5 DETAILED REGIONAL SCOPE

### 4.6 ACRONYMS
