

World electronic industries

2012 - 2017

The future of the whole industry of electronics covered in a single survey!

- **R**egion coverage: Europe, North America, Japan, China, Other Asia-Pacific, Rest of the World
- **M**ore than 250 pages of production analysis (trends, issues, ...) + excel tables (figures in value with growth rates)
- **S**tructure and Forecasts year by year from 2012 to 2017
- **D**etailed analysis of 50 equipment categories covering all application markets:
 - Aerospace, defense & security
 - Audio, video
 - Automotive
 - Data processing
 - Home Appliances
 - Industrial & medical
 - Telecommunication

An open report showing detailed data tables and spreadsheets, likely containing production analysis and forecasts.

a survey updated

CONTENT

1 EXECUTIVE SUMMARY: WORLD OUTLOOK

2 FORECASTS AND DETAILED ANALYSIS PER APPLICATION SECTOR

2.1 TELECOMMUNICATIONS

- 2.1.1 Mobile handsets (including smartphones)
- 2.1.2 Telecommunication infrastructure (carrier and enterprise/private network equipment)

2.2 DATA PROCESSING

- 2.2.1 PCs including desktops, laptops, netbooks and digital tablets
- 2.2.2 PCs peripherals, office equipment and smart cards
- 2.2.3 Mainframes, mid-range computing and dedicated terminals

2.3 AEROSPACE, DEFENSE AND SECURITY ELECTRONICS

- 2.3.1 Aeronautics & Space
- 2.3.2 Defense
- 2.3.3 Security

2.4 INDUSTRIAL AND MEDICAL ELECTRONICS

- 2.4.1 Railway equipment
- 2.4.2 Marine and off-road equipment
- 2.4.3 Power electronics (including power supplies and conversion, solar panels and electronic lighting)
- 2.4.4 Automation equipment
- 2.4.5 Medical devices
- 2.4.6 Instrumentation, measurement and test equipment

2.5 AUTOMOTIVE ELECTRONICS

- 2.5.1 Powertrain
- 2.5.2 Chassis
- 2.5.3 Safety, security and information equipment

2.6 AUDIO, VIDEO & HOME APPLIANCES

- 2.6.1 TVs
- 2.6.2 Other Audio/Video devices (digital cameras and camcorders, DVDs, game consoles, Portable Media Players, Set Top Boxes)
- 2.6.3 Home appliances

3 DEFINITIONS

3.1 SOURCES

3.2 PRODUCT CLASSIFICATION

3.3 EXCHANGE RATES

3.4 VALUES, MARKET AND PRODUCTION

3.5 DETAILED REGIONAL SCOPE

3.6 ACRONYMS

PRICES & OPTIONS

	CD-ROM / PDF and Excel files by email	Content
Europe	euros 2,990 <input type="checkbox"/>	World overview + detailed production forecasts for Europe only
World	euros 5,990 <input type="checkbox"/>	World overview + detailed forecasts for Europe, North America, China, Japan, other Asia Pacific, ROW

For additional paper copy: euros 450

Note : for delivery in France only the 20% VAT will be charged additionally. Please check and pay the total amount (PRICE + VAT) :
price _____ + VAT (20%) _____ = _____ euros
